

Pollock, SD-

The fresh smell of rain is in the air, and to many that smell means spring, but more importantly: FISHING!

June 19th and 20th, 2010 marks the 32nd Annual Pollock Men's Club Walleye Tournament in Pollock, SD. This two man team tournament is sure to be the most fun-filled event of the summer! With the water levels rising by the day, the Group of Men's Club Members is hoping for a 100 team turn out for this year's tournament.

As an added perk this year the Men's Club has joined hands with the Skeeter Real Money program, and the South Dakota Great Lakes Association. They are also raffling off a new Arctic Cat 550 Prowler, a \$500 Scheel's gift certificate, and a \$250 Horner Enterprises gift certificate. Tickets may be purchased from any Men's Club member at a minimal price of \$10 each. Proceeds from the raffle will go to the tournament pay-out.

The fishermen say that Pollock hosts a unique tournament. The Rules Meeting is held the Friday evening prior to the tournament, where the fishermen enjoy a free meal along with beverage and can bid on themselves or a favorite team in the calcutta. After their first day of fishing on Saturday, the Men's Club invites anglers to donate their catch, and the teams are treated to a fresh Walleye feed. The public is also invited to enjoy the meal at a minimal price. All proceeds received from the tournament stay in the community and are used where needed.

With high hopes and high water, the Pollock Men's Club cordially invites you to attend the most fun fishing tournament of the year! Put June 19th & 20th on your calendar!!!!
